How You Can Support

To support its 2025 campaign, Chipotle will leverage its Round-Up for Real Change feature on the Chipotle app and Chipotle.com to support the [Kids In Need Foundation](https://kidsinneed.org) and [American Nurses Foundation](https://americanursesfoundation.org).

The Kids In Need Foundation, a national non-profit organization that helps create equitable learning spaces through the distribution of supplies and resources, investing in teachers and students in underserved schools, will be featured on the Chipotle app and Chipotle.com this fall as teachers prepare for the back to school season. Funds from the round-up will be used for school supply donations from Kids In Need Foundation's Supply A Teacher Program.

As the philanthropic arm of the American Nurses Association, the American Nurses Foundation inspires change and innovation by harnessing The Power of Nurses™ through strategic, nurse-led philanthropy. With its 501(c)(3) status, the foundation mobilizes critical resources to fund innovative research and support initiatives that advance nursing practice, education, and leadership. By forging intentional partnerships and providing targeted grants, the foundation empowers nurses to drive change within healthcare systems and communities. Through the end of Nurses Week, Chipotle invites guests to round up their change to the next highest dollar amount on the Chipotle app or Chipotle.com to help provide additional support for nurses across the U.S.
